293m<sup>2</sup>

1,604m<sup>2</sup>

This charming villa is south-facing and has panoramic views of the landscape, the bay and the Mediterranean sea. The plot is an extensive, 1,600m<sup>2</sup> and could even offer the opportunity to build a second house, subject to planning approval. Built in a traditional Spanish villa style, the villa definitely has charm. There is a glazed conservatory that can be open or closed, a perfect living...(Ask for More Details!)
