884m²

3,109m²

This magnificent, Spanish villa was designed and built in the 1960's- 70's, as a summer residence for a particularly discerning buyer. The current owner, with a background in interior design, has renovated it with no expense spared. The house combines opulent features with modern style and comfort. The "wow factor" starts at the front gate! Located in the hills above the very desirable, h...(Ask for More Details!)
