160m²

845m²

This luxurious colonial-style villa was built in 2012. The property is located on a stunning plot at the end of a cul-de-sac, offering stunning views across the landscape to the Mediterranean sea. The property features an impressive driveway lined with palm trees giving “wow factor” from the first impression. The villa is distributed across two levels, with the living area located on the ...(Ask for More Details!)
